Yerfis

Dear Friend;

This is a small presentation on what we can do for you in Spain.

Be sure to contact me personally to discuss what you need, for we tailor our response to them.

Yours thankfully;

Álvaro Espina Márquez
Senior Associate

PD. Whatever your needs, We'll be there for you

Pharmaceutical

Our philosophy
is your philosophy

Our objective

To be your hub in Spain

Your only concern
should be your core
business

Strategies

All your markets are different,
we are experts in ours

Useful, practical & real solutions

- Local insight & strategy
- Market Development
- Technical Due Diligence
- Quality Management & Audits

Regulatory

Leave your local non-value-added, time consuming RA, or follow ups to us

Unlock our fine-point capability in Spain

We are not a bulk-RA firm, we are your solution

- Approval Strategy
- RA Management
- Territory Specifics
- Readability Tests & Translations
- Post-Approval Maintenance

Legal

Our differentiating asset

We will take care of you safely
with our unique perspective

We will deliver to you our
understanding of both worlds,
like no one else can

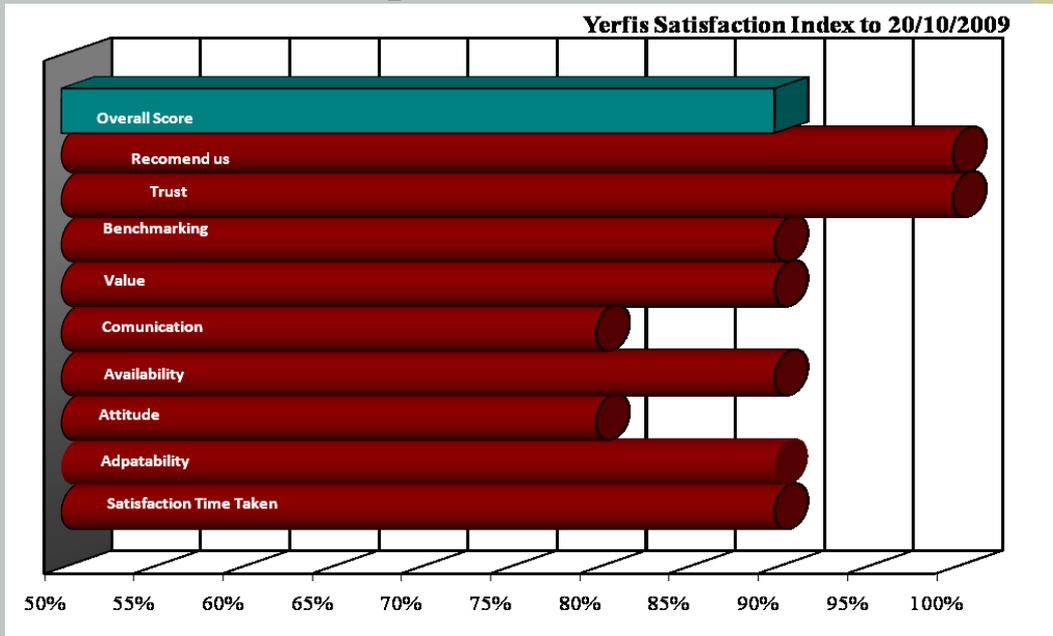

- Corporate Representation
- Product Acquisition & Licensing
- Manufacturing agreements
- Legal counselling
- Litigation

Y^s

Yerfis is an aptitude & an attitude

About Us

We will adapt to you, we want to be in your team

Look at our offers, references, case studies,
prices or send us a proposal
